

simplex_app/pivot_selector
_plugin_interface.h

```
graph TD; A[simplex_app/pivot_selector_plugin_interface.h] --> B[QString]; A --> C[QWidget]; A --> D[QStandardItemModel];
```

The diagram illustrates a header file, `simplex_app/pivot_selector_plugin_interface.h`, which includes three Qt classes: `QString`, `QWidget`, and `QStandardItemModel`. The header file is represented by a gray box at the top, and the three classes are represented by white boxes below it. Three blue arrows point from the header file box to each of the class boxes, indicating the inclusion relationship.
